THE DENVER POST

URICHMOND

AMERICAN

FOUNDATION

Thank you for supporting thousands of our neighbors in need.

Your generous gift made it possible for 52 deserving nonprofits to receive \$1.77 million in assistance.

Dear Friend,

We are so grateful for your generous support of The Denver Post Season To Share campaign presented by Denver Active 20-30 Children's Foundation.

After an incredibly challenging year, your gift is helping more than ever. Because of donors like you, the nonprofit agencies listed in this report can continue to fulfill their missions and help the growing number of our neighbors in need. These dedicated agencies are working tirelessly to house families and individuals in need of a permanent home, nourish those who experience hunger, prepare children and youth for success in the classroom and in life, and protect children and families in need with medical care. **Your donation, with a generous Denver Active 20-30 matching grant, made it possible for 52 metro Denver nonprofit organizations to receive \$1,770,000 in grants.**

On behalf of everyone who will be touched by your generosity, we thank you for your continued support. Together we are making a difference for those who need it most.

Sincerely,

Bill Reynolds

“

Season To Share helps us meet the increase in needs due to the pandemic, which at times has exceeded 300% of our normal demand. Thank you!

”

– Outreach United Center, Inc.

“

During this historical time, CLC is able to provide quality in person one-to-one tutoring to under performing students thanks to the financial support of Season To Share.

”

– Children's Literacy Center

“

Thanks to Season To Share, Doctors Care will continue providing high-quality healthcare to our community and be an active participant in ending the pandemic and getting life back to normal.

”

– Doctors Care

“

Thanks to Season To Share, we are able to recover substantially more food and distribute it to more community members struggling with food insecurity, while also helping the environment by keeping quality food out of the landfill.

”
