\$1.7 MILLION
Invested in local nonprofits

2021/22 COMMUNITY IMPACT REPORT

Your generosity is helping change lives in these challenging times.

Thank you for helping thousands of our neighbors in need.

Your generous gift made it possible for 51 deserving nonprofits to receive \$1.7 million in assistance.

Dear Friend,

We are so grateful for your generous support of The Denver Post Season To Share campaign.

Your gift is making a significant impact for our neighbors who are struggling to navigate these challenging times. Thanks to donors like you, the nonprofit agencies listed in this report can continue to fulfill their missions and help the growing number of those who need it the most. These dedicated agencies are working hard to nourish those who experience hunger; house families and individuals in need of a permanent home; prepare children and youth for success in the classroom and in life; and protect children and families in need with medical care.

Your donation, with a generous Denver Active 20-30 matching grant, made it possible for 51 metro Denver nonprofit organizations to receive \$1,700,000 in grants.

On behalf of all Season To Share grant recipients and those they serve, thank you again for your generosity. Together we are making a difference!

Sincerely,
